BC Northern REALTORS® care about the communities they live and work in. Local communities are where we raise our families and meet and care for our neighbours. This year has been difficult for our local charities, which is why the REALTOR® members of the BC Northern Real Estate Board will donate \$18,437.00 to charities in the north, above and beyond the generous individual and brokerage donations.

Shop local, give local, live local.

In 2020, BC Northern has made the following donations in the north
